

## **CHANGES COMING FOR ANNUAL GARAGE SALE!**

For many years, the MHS Freshman Class has hosted the Freshman Garage Sale as its primary fundraiser. The garage sale historically has been a very profitable event, generating thousands of dollars that are used to pay for the freshman class's future senior prom. A large team of hardworking volunteers prepare for several months to ensure the success of this annual tradition.

This year Hurricane Harvey has caused us to re-think the timing of the garage sale. After discussing the options with MHS administrators, the PTA has decided to permanently move the garage sale fundraiser to sophomore year. There will not be a garage sale this school year. Instead, the Class of 2021 will host its garage sale during the 2018-19 school year, when they are sophomores.

This spring, we will begin looking for parents from the Class of 2021 to chair the first Sophomore Garage Sale. If you enjoy taking on a big event with huge rewards, please consider co-chairing.

If you have any questions about the new Sophomore Garage Sale, please contact Rikke Graber [grabers@swbell.net](mailto:grabers@swbell.net)
