TO THE PARENTS/GUARDIANS OF:

Dear Parents,

One of the best traditions in America is celebrating your senior year of high school. I am proud of the accomplishments of your student, their efforts and their hard work. Now it's time to celebrate their senior year!

Strawbridge Studios, Inc. has been selected as our official Senior and Yearbook photographer. Your student must be photographed by Strawbridge in order to appear in the Senior section of the Yearbook. Please make sure you have your student photographed by Strawbridge this year and look at the proofs before you decide to go to another studio. They offer a wide variety of options and we have carefully chosen Strawbridge Studios because of their reputation and quality.

On the reverse side you will find your student's appointment date, time and location for their senior portraits. If you have any questions concerning this appointment you should contact Strawbridge Studios directly at (866) 624-6229.

Thank you for your time and consideration. I look forward to another great year with your student!

Sincerely,

Principal
