

NEUENS ROAD

Spring Woods Middle School

SWMS Car Rider Pick Up and Drop Off Procedure

Safety of our students is our #1 Priority!

Morning Drop Off:

Campus doors open at 7:45 a.m.

Enter only at the entrance by the soccer/track field; exit only at the baseball fields

Drive all the way to the end of our long parking/driveway to let your child off. (X's on map)

Do not stop in front of walkway by flag – move forward. Do not drop off your child before the flag.

This allows other cars behind you to keep moving. If you need to come into the building, you must park in a parking spot and turn off your vehicle.

Afternoon Pick Up

Campus dismisses at 3:30

Enter only at the entrance by the soccer/track field; exit only at the baseball fields

Drive all the way to the end of our long parking/driveway to pick up your child.

We will have orange cones out (X's) so we can load 8 cars at a time. Our students will move to meet you at the cones for safety.

We appreciate everyone's efforts to follow our procedure. This is for the safety of all of our students, and to shorten the parent and students wait time to be picked up or dropped off.
