Dear Meadow Wood Staff,

I write to update you on the progress towards identifying the next principal to serve Meadow Wood Elementary School.

This week we will begin the process for a principal search, and we will begin with the development of the principal profile. Once a principal profile has been created, the district will conduct instructional interviews with principal candidates. Those candidates best aligned with the principal profile will be invited to interview with the Meadow Wood CIT.

As a next step, we will have an interim principal at Meadow Wood for the remainder of this summer.

I would like to introduce Sofia Petrou, retired SBISD Executive Director and former Memorial Middle School Principal. Ms. Petrou has agreed to serve Meadow Wood Elementary School as interim principal. Ms. Petrou was an invaluable member of the SBISD district administrative team and administrator at Memorial Middle School. I have complete confidence that Ms. Petrou will exceed your expectations in serving Meadow Wood's students, staff, and families.

Ms. Petrou will transition to Meadow Wood Elementary on Monday, June 19, 2017.

If you have any questions or concerns, please contact me by email at [Jennifer.parker@springbranchisd.com](mailto:Jennifer.parker@springbranchisd.com).

Thank you,

*Jennifer Parker*
