Dear Meadow Wood Community,

With great excitement, I write to inform you that last night, the SBISD Board of Trustees approved Mrs. Hailey Haynes as the new principal of Meadow Wood Elementary.

The Meadow Wood Campus Improvement Team met with several candidates and enthusiastically endorsed Hailey Haynes as an excellent match for our community. Mrs. Haynes is coming from Klein ISD where she has served as an elementary teacher and assistant principal since 2009. Prior to Klein ISD, Mrs. Haynes was an elementary teacher in both Louisiana and Arizona.

Mrs. Haynes is passionate about students and rigorous learning for all children, and the majority of her professional work has been focused around literacy. She earned a Bachelor of Arts in Elementary Education and a Masters of Education in Curriculum and Instruction from Southeastern Louisiana University. Additionally, she earned a Masters of Education in Administration from Concordia University.

Mrs. Haynes first official day at Meadow Wood Elementary will be July 27, and she is elated to serve the MWE community. On Monday, July 31, you will receive information regarding dates and times to meet the new principal.

Thank you in advance for your support of Mrs. Hailey Haynes. I look forward to a great year at Meadow Wood Elementary. If you have any questions please feel free to contact me at Jennifer.parker@springbranchisd.com.
