

# We're going to Washington, D.C. and Williamsburg!

**To:** Students and Parents

**From:** Dara Harris

I am thrilled to invite you on a once in a lifetime trip to our nation's capital to take place **June 3 - June 6, 2016**. Students will experience first-hand the rich history of our nation by touring one of the world's most powerful cities. The Washington, D.C. experience challenges students to role-play life from the perspective of our founding fathers to the legislators and judges who write and interpret the laws of the land today. From Capitol Hill to the Smithsonian to Jamestown, students are introduced to the sacrifices and heritage of our great nation. Touring important national treasures such as Arlington National Cemetery, Colonial Williamsburg, and the Vietnam, Korean, and Iwo Jima Memorials further reinforces the themes of patriotism and sacrifice. Students gain a deeper understanding of our history, the consequences of choices, and of their role in shaping America's destiny. This trip is an opportunity every American should experience!

Our tour, coordinated by *School Tours of America*, is non-school sponsored.
