

Dear Parents/Guardians,

The selection process for new members of the Westchester Academy Chapter of the National Honor Society has begun. Students in grades 10-12 with a GPA of 6.0 or better have been identified as candidates for membership. The list of the candidates is posted in the upper school, middle school, main office, and NHS bulletin board by the dining hall and outside room E-151. **Please verify with your student if his/her name is on the list.** If he/she is on the list, he/she must pick up the Student Activity Form and selection letter during lunch in room E-151. These forms must be completed, signed and **returned on or before September 21. Your student must meet the deadline. Otherwise he/she will not qualify for membership.** Your student will be contacted by a NHS officer if he/she meets the other criteria for membership. He/She will then be invited as a member and **must** attend the induction ceremony on October 27. If your student is not on the list, please verify his/her GPA with Mrs. Andrews (Registrar) and inform Mr. Halos no later than September 16.

If you have any concerns or questions, please email Mr. Halos at alberto.halos@springbranchisd.com.
